After 35 years of faithful service, our church boiler is finally being retired! A new boiler will be installed in August to help keep everyone warm and

comfortable throughout the winter in our beautiful stone church.

As you can imagine, replacing a boiler is a significant expense, costing around £12,000. If you feel able to contribute towards this project in any way, please do get in touch with the office.

Thank you so much for your support.

The Church is open for visits (with a guide) each Saturday and Sunday between 2 – 4pm unless there is a wedding. Please check website for

confirmation.

For those attending our services with children, we've created a more child-friendly area in the transept. You're very welcome to use the space, which includes toys and activities for little ones, but please don't feel you need to sit there — wherever you feel most comfortable is absolutely fine.
